

LUSHESCAPES

Ascend

Learning Beyond Borders

Ascend

Presenting ASCEND by Lushescapes — a refined offering specifically designed for forward-thinking schools like yours.

ASCEND focuses on three key pillars that elevate educational travel:

Applied Skills

Hands-on learning experiences that build real-world competencies.

Cultural Exploration

Immersive journeys that foster global awareness and understanding.

Nurtured Development

Holistic growth that inspires confidence, leadership, and personal transformation.

Message from our Founder

What began as a vision to redefine student travel has grown into a movement—one rooted in purpose, impact, and transformation. At ASCEND, we believe in the power of travel to transform, educate, and inspire. Our passion for creating meaningful journeys stems from a deep commitment to providing students with extraordinary experiences that enrich their minds and souls. Each trip is an opportunity to expand horizons, foster personal growth, and spark curiosity in ways that go far beyond the classroom.

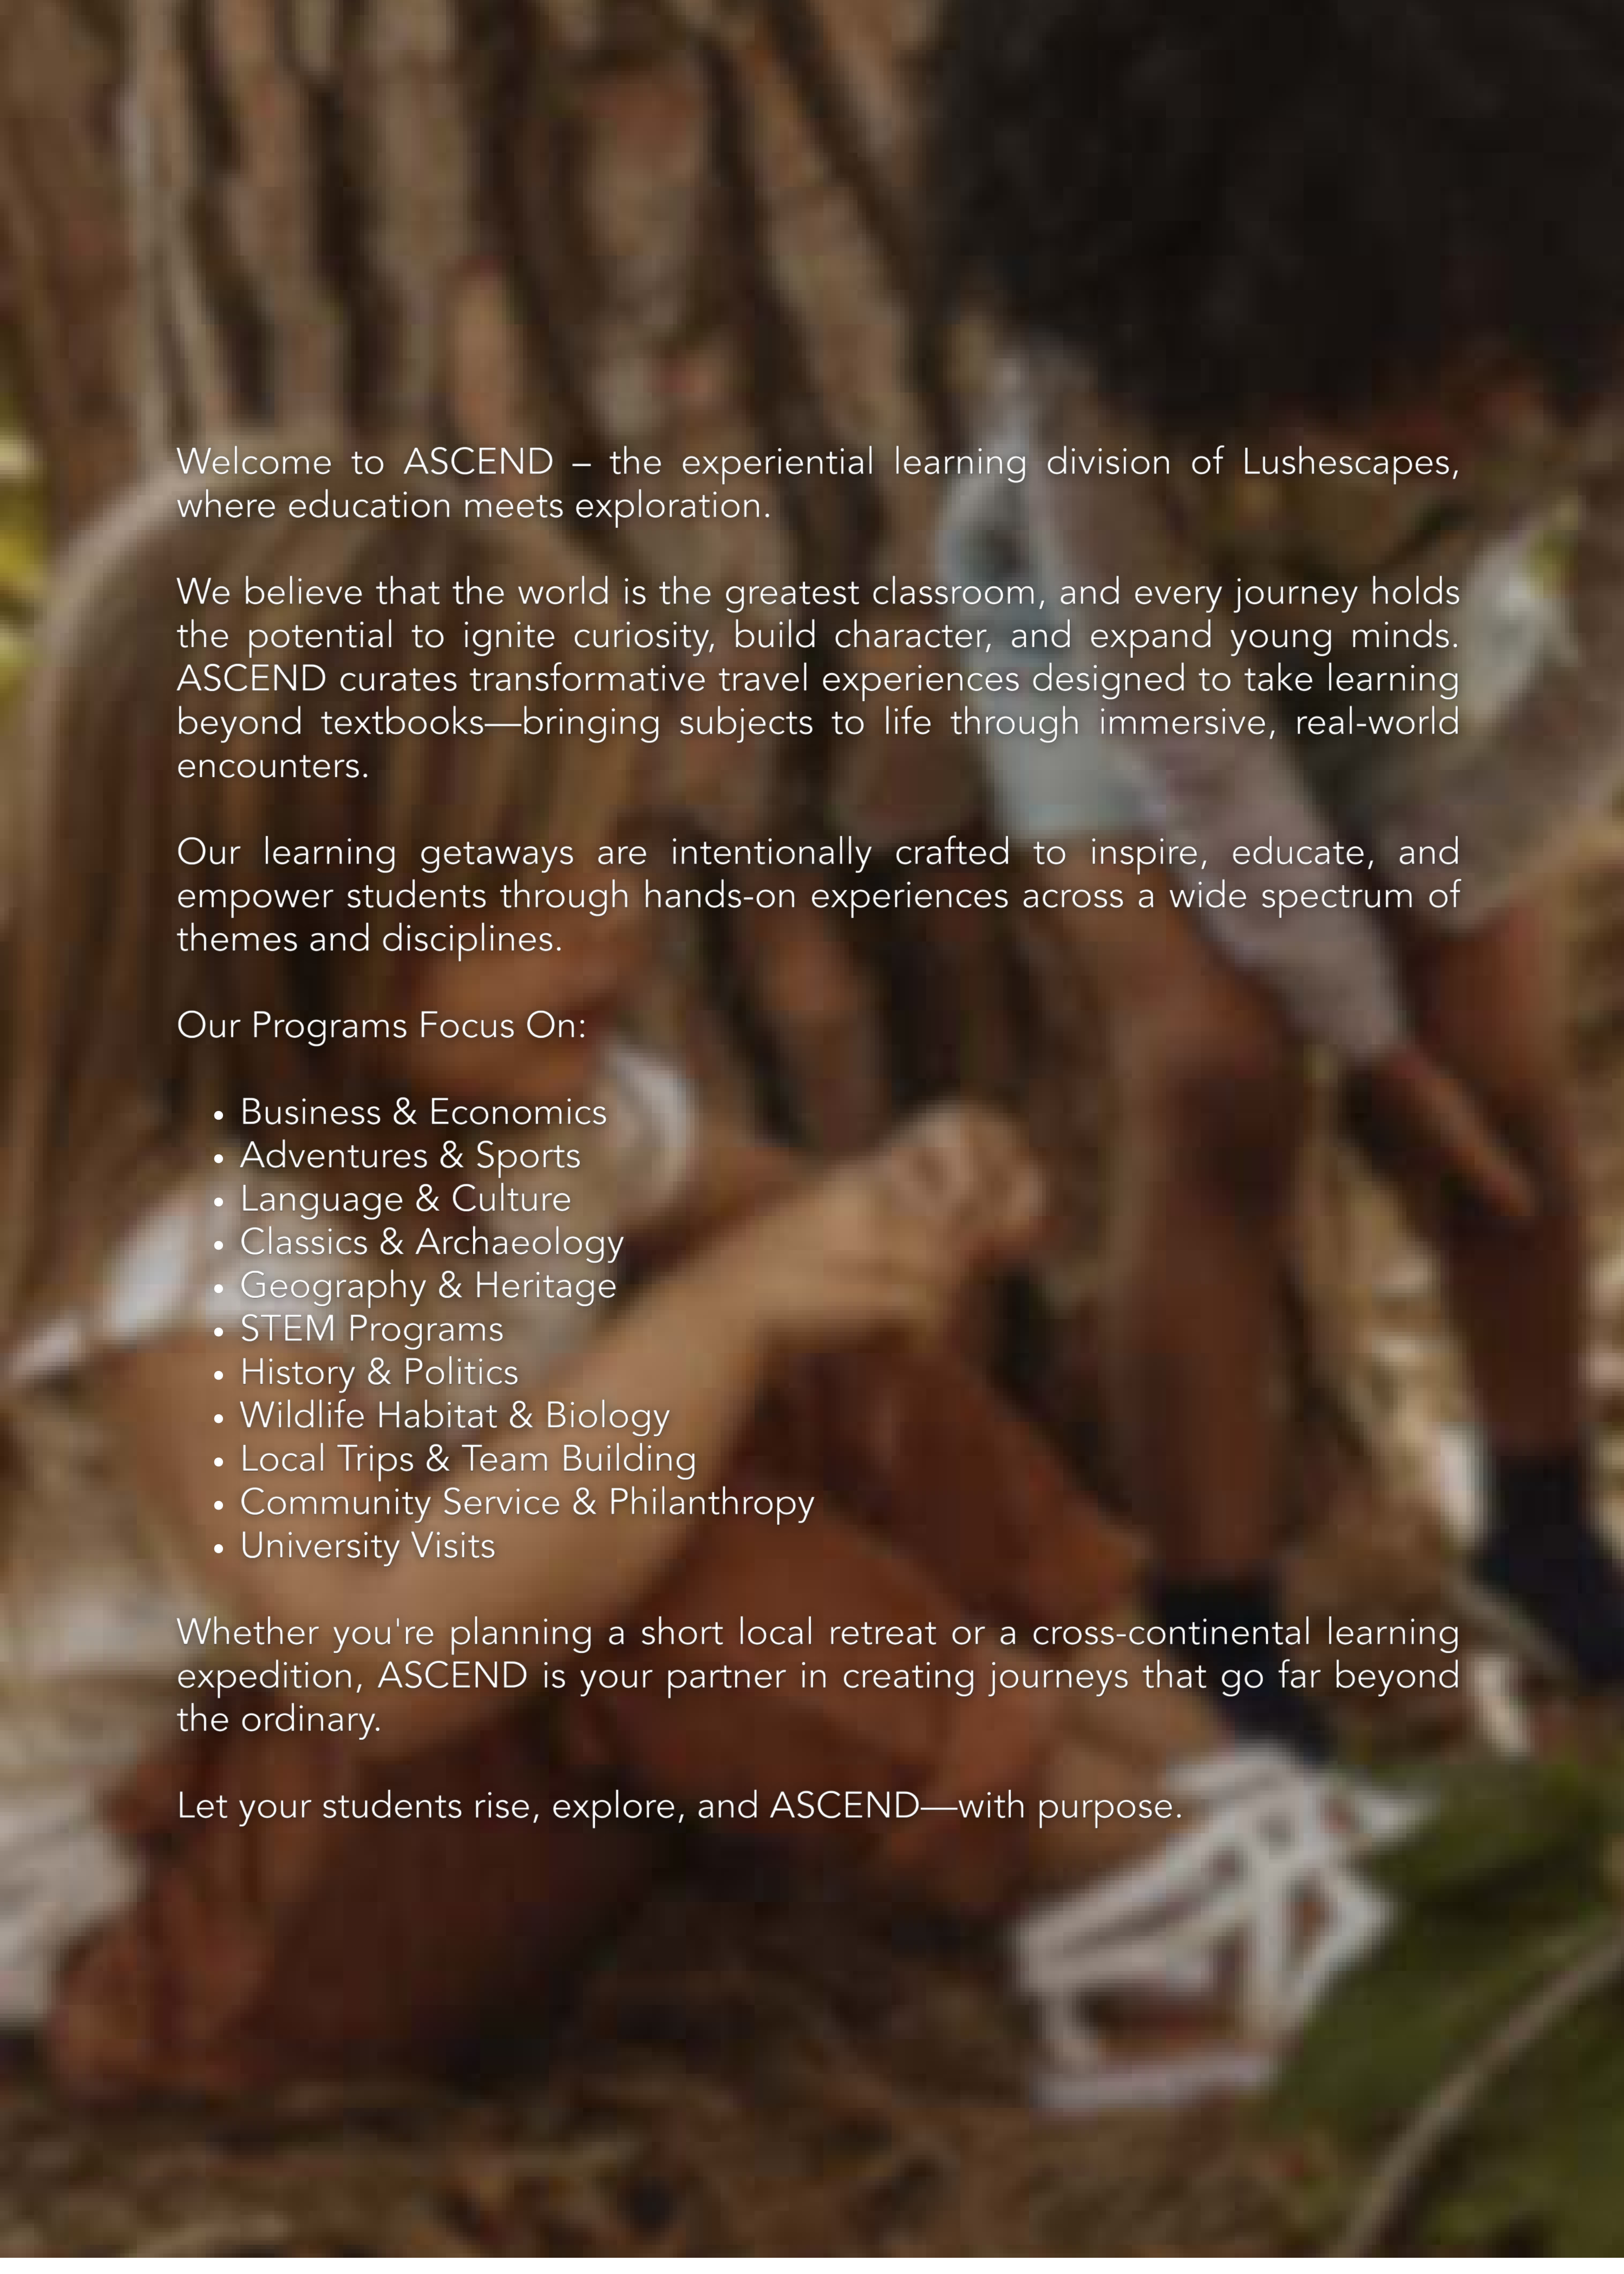

Every journey we create is designed with intention. Our programs are built not only to show students the world, but to help them discover their place in it—with confidence, curiosity, and compassion. Whether they're trekking through ancient cities, engaging in hands-on service projects, or learning from local communities, our students return home changed—more aware, more inspired, and more empowered.

Through ASCEND, we have set out to not only elevate the travel experience but also cultivate a sense of purpose in every student we serve. Our focus on safety, education, and adventure ensures that each trip is an impactful step toward shaping future leaders who are grounded, open-minded, and ready to make a difference.

We invite you to explore the world of ASCEND—where every experience is designed to inspire, challenge, and elevate the next generation of leaders.

Abhishek Dadlani

Welcome to ASCEND – the experiential learning division of Lushescapes, where education meets exploration.

We believe that the world is the greatest classroom, and every journey holds the potential to ignite curiosity, build character, and expand young minds. ASCEND curates transformative travel experiences designed to take learning beyond textbooks—bringing subjects to life through immersive, real-world encounters.

Our learning getaways are intentionally crafted to inspire, educate, and empower students through hands-on experiences across a wide spectrum of themes and disciplines.

Our Programs Focus On:

- Business & Economics
- Adventures & Sports
- Language & Culture
- Classics & Archaeology
- Geography & Heritage
- STEM Programs
- History & Politics
- Wildlife Habitat & Biology
- Local Trips & Team Building
- Community Service & Philanthropy
- University Visits

Whether you're planning a short local retreat or a cross-continental learning expedition, ASCEND is your partner in creating journeys that go far beyond the ordinary.

Let your students rise, explore, and ASCEND—with purpose.
